When Floral Pattern inspires ceramics

Matt surface, snow-white foam, colorful sand:
southern seas inspired us for the collection.

The beauty of unusual decors reminiscent of
about matt by waves of multi-colored rocks and
light water ripples, emphasized by the shimmering matt effect
of this collection against the background of a snow-white bas

Designed to make recovering

Delicate references to historical architectural styles, classicism, modern, allow you to carry out the most unusual, design, ideas, from classic austere interiors to bright eclecticism. Wherein technological perfection of ceramics, strength and stability, allows use it in any design - both in private residential areas and in public spaces, such as cafes and clubs.

**Inspired by
tremendous flowers
pattern from north
European countries**

this collection is based on the play with the still current pop art style and the classic combination of strict and contrasting stripes. A well-thought-out selection of elements will help create a bright and characteristic interior that will definitely appeal to lovers of design experiments. And if you want a calmer mood, you can choose a monochrome version with several accents

COLLECTION 2021

CRAFTSMANSHIP INSPIRES CERAMIC

In this collections of 12x18 format, we have collected the most relevant in modern design: from maximalism with a riot of tropical colors to the suprematist SUPREME motifs, modernist panels. We were inspired by everything that has become the pinnacle of interior fashion the rethinking of traditional ornaments and shapes, pronounced textures, pure colors and delicate shades in harmonious and contrasting combinations, unusual patterns and graphics - in a word, the most striking trends that will not become obsolete in the coming years and even decades.
