# Innovation & Creativity

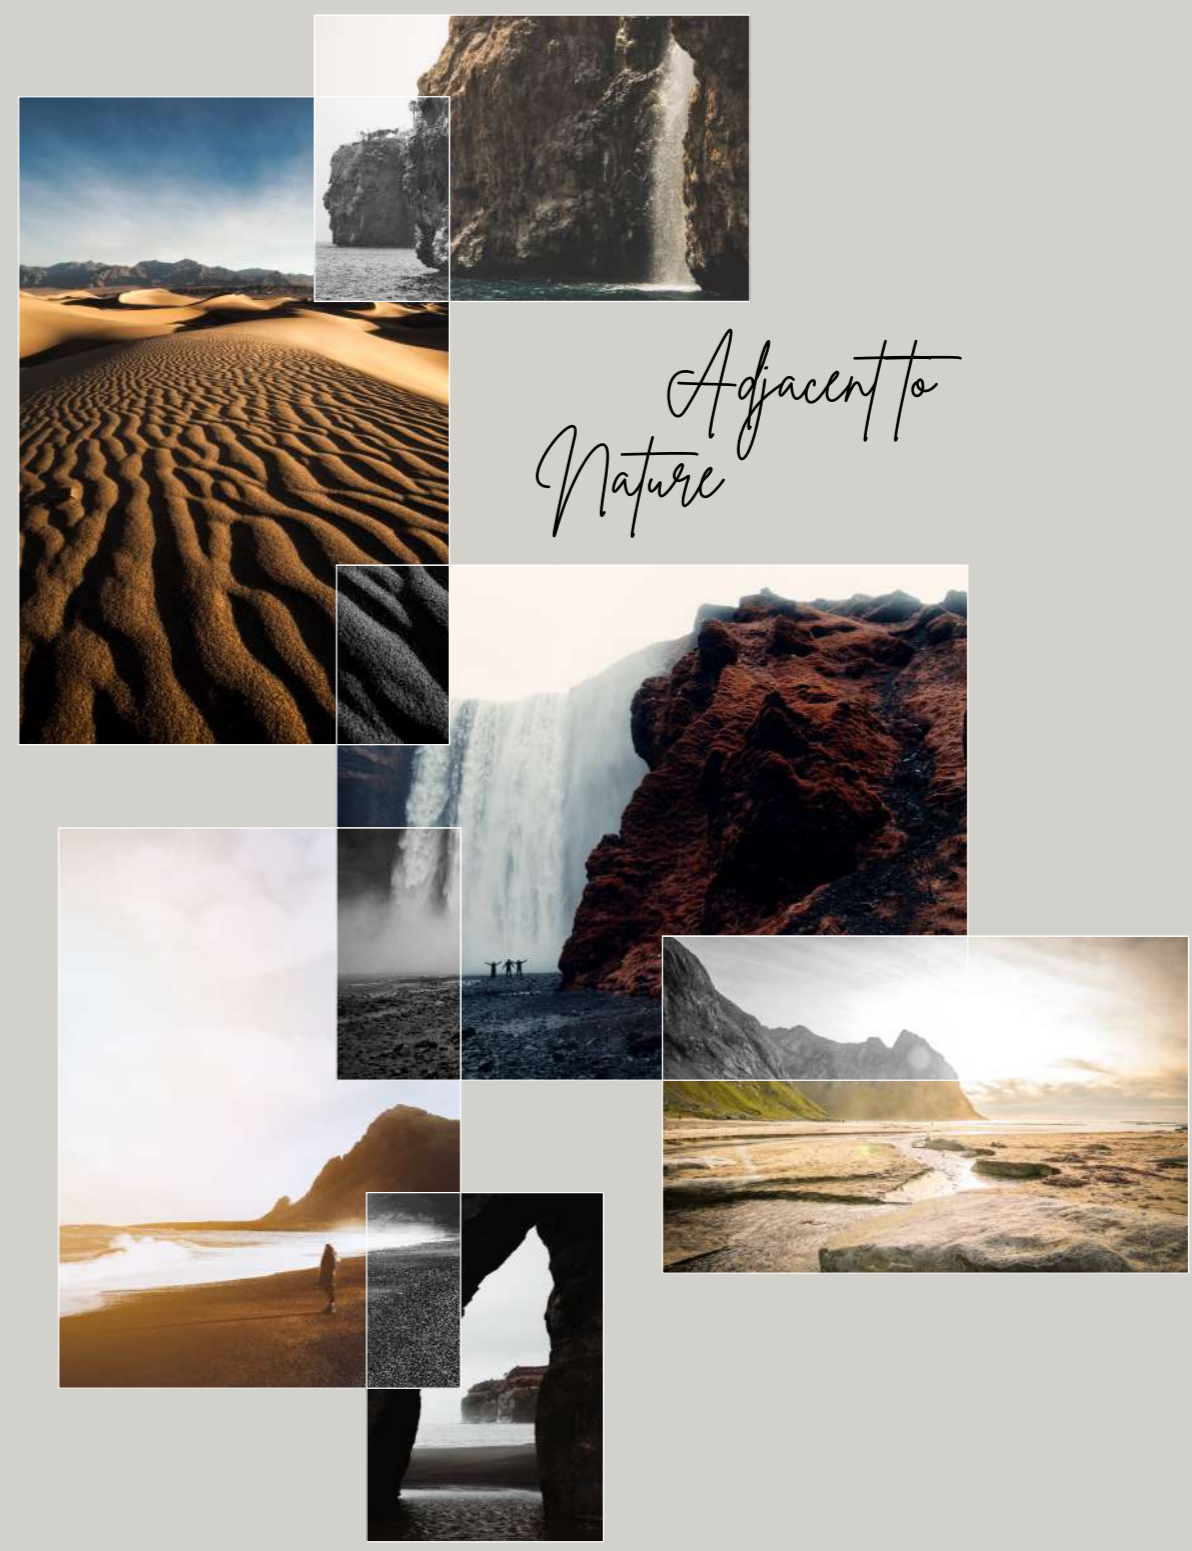

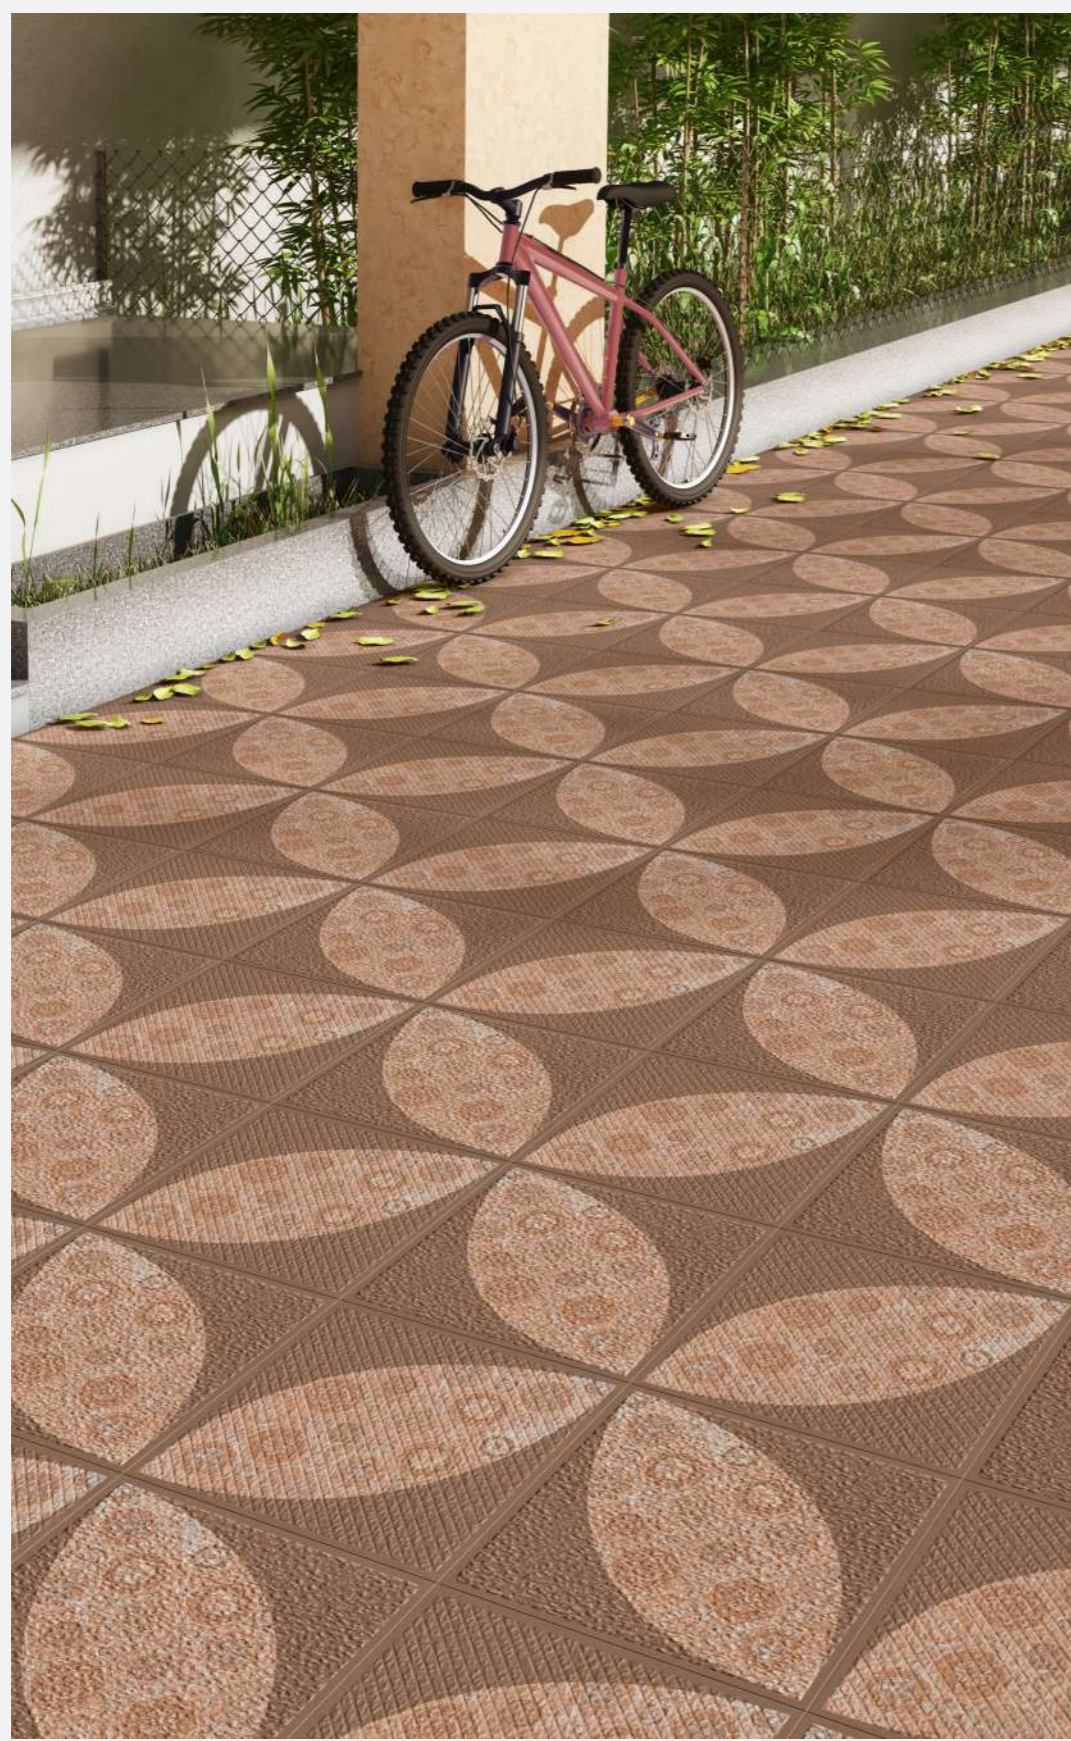

Modernity meets tradition in a collection offering the ancient strength of stone in a new ceramic option that lends interiors and exteriors a timeless charm.

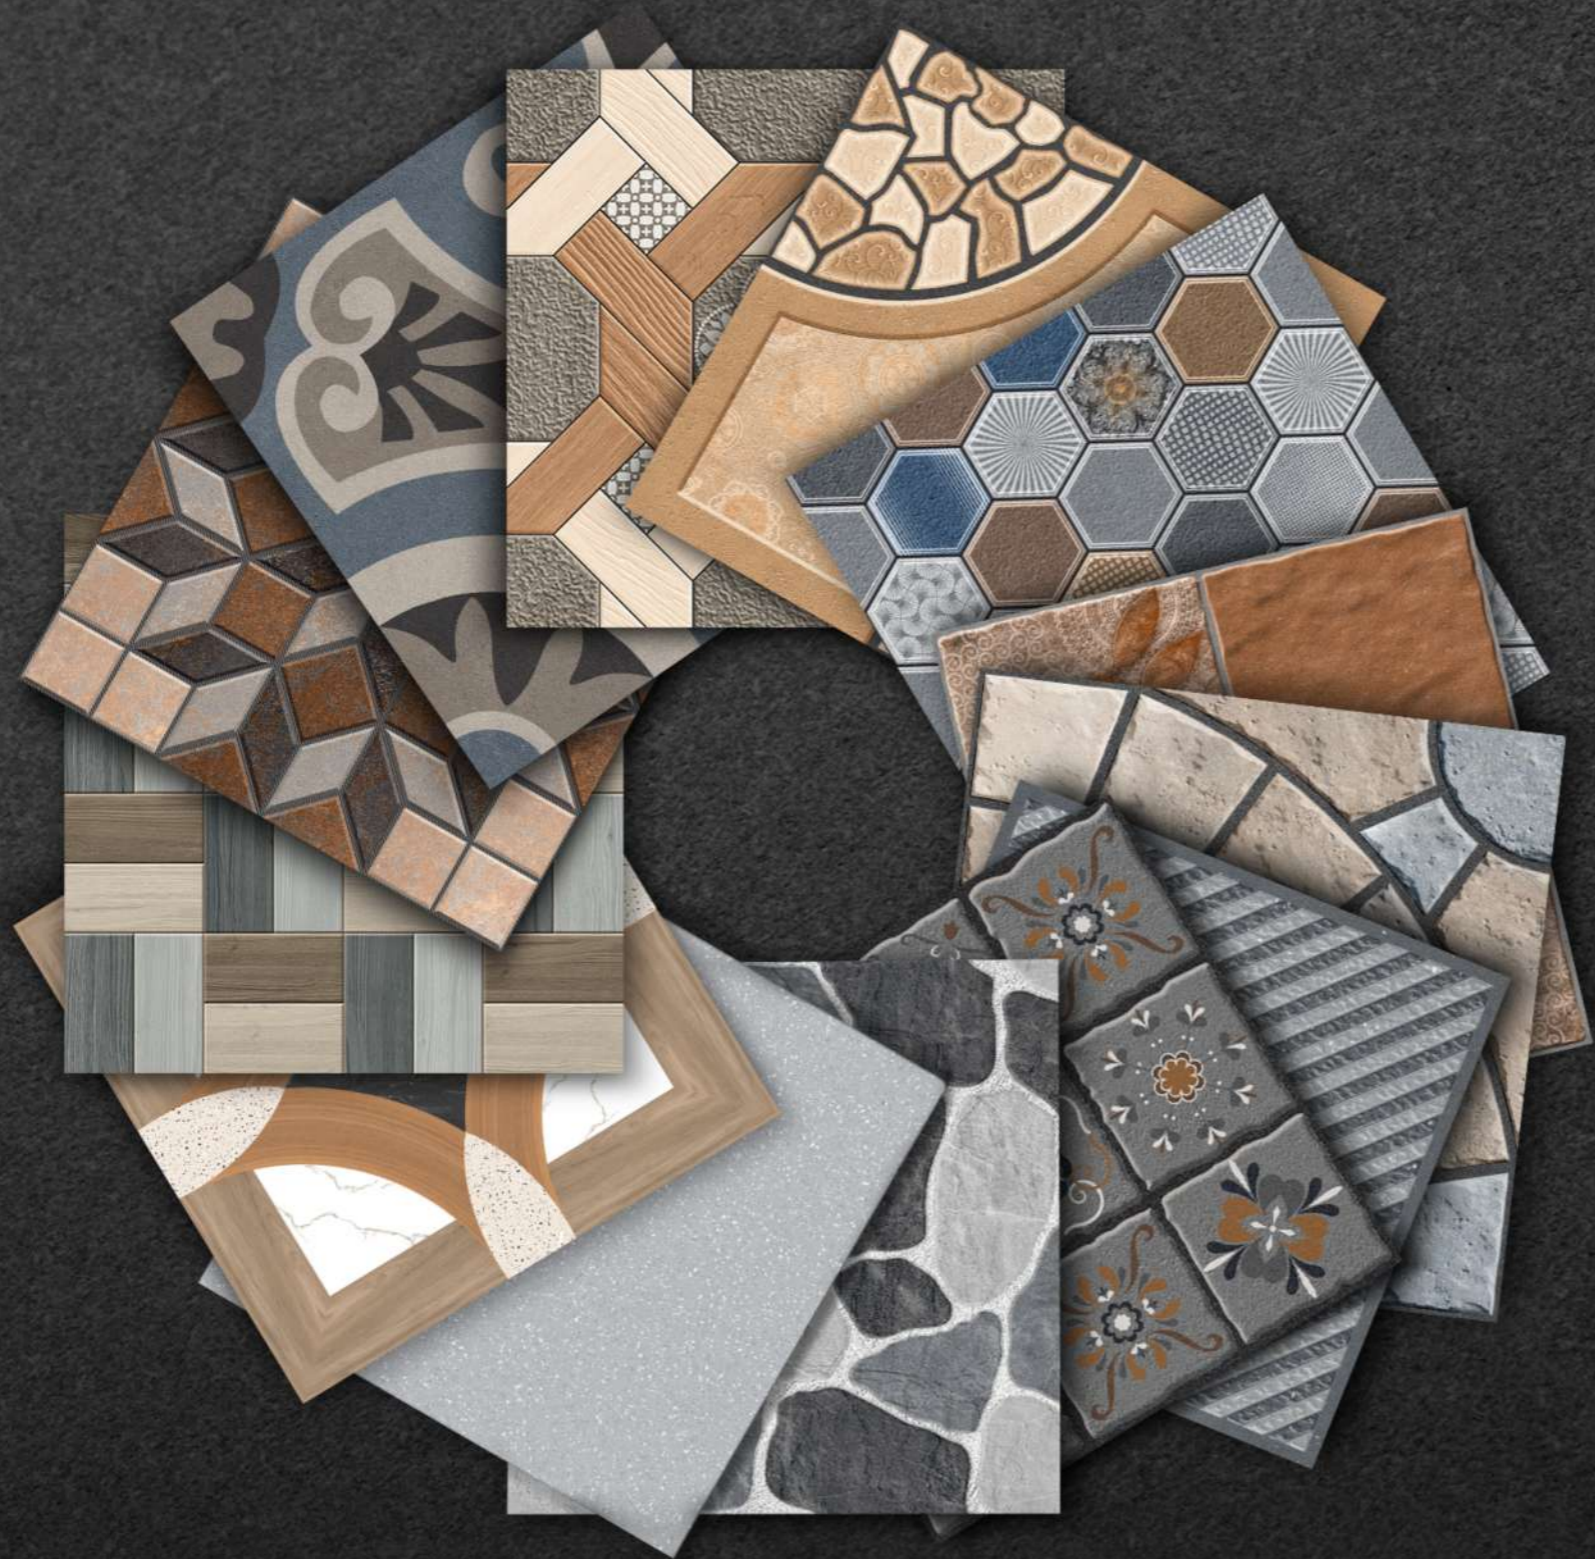

**400X  
400MM  
HEAVY DUTY VITRIFIED  
PARKING TILES**

Inspired by natural stone, it realistically reproduces the look of this material thanks to graphic contrasts and refined texture.

Lorison has a timeless appeal and a renewed taste for traditional stone types, but is perfectly in line with current interior design trends
